EDUCATION

Ph.D. Candidate, Mathematics

2021 - Present

The Ohio State University, OH, USA

Advisor: Kenneth D. Koenig

B.S. Mathematics

2020

Pohang University of Science and Technology (POSTECH)

Pohang, South Korea

- Leave of absence for military service (2017-2019)

RESEARCH INTERESTS

Several complex variables, Harmonic analysis, Nonsmooth domains

PUBLICATION

1. Choi, D.-J. and Koenig, Kenneth D., Sharp L^p Regularity of the Szegő Projection on the Hartogs Triangle, *J. Geom. Anal.*, 36(374), 2026.

PRESENTATIONS

- *On an L^2 identity for barred derivatives over a piecewise Levi-flat domain*

Invited talk, Special Session on The Interplay of Geometry and Analysis in Several Complex Variables at Joint Mathematics Meetings of American mathematical society 15th Jan. 2027(scheduled)

- *Sharp L^p regularity of the Szegő projection on the Hartogs triangle*

Invited talk, International Conference for the 80th Anniversary of the Korean Mathematical Society 24th Jun. 2026

Invited talk, Harmonic analysis and several complex variables seminar at the Ohio State University 3rd Mar. 2026

Invited talk, Special Session on New Developments in Several Complex Variables and CR Geometry at Joint Mathematics Meetings of American mathematical society 4th Jan. 2026

Poster session, Recent Advances in Harmonic Analysis and PDEs (Celebrating Marius Mitrea's career) at Baylor University 21st May 2025

Poster session, Midwest Several Complex Variables Conference (in Honor of Harold P. Boas and Emil J. Straube) at Texas A&M University 17th May 2025

- Other presentations

The Language of Data: Vectors and Matrices, Special lecture on linear algebra at Chung-Ang University 28th May 2026

Linear Algebra: Why, Where, and How, Special lecture on linear algebra at Chung-Ang University 11th Jun 2025

What is a Besicovitch Set?, What is ...? Seminar at the Ohio State University 8th Jul 2021

HONORS, AWARDS, AND SCHOLARSHIPS

Graduate Student Travel Grants to 2026 JMM The American Mathematical Society	2026
Special Graduate Assignment The Ohio State University Math department - Annual competition for research fellowship	Spring 2025
Silver Medal - Korean National Collegiate Mathematical Competition Korean Mathematical Society	2018
Excellent Student Teaching Assistant POSTECH Math department - Award for academic excellence and teaching ability for one student per semester	2016
The National Scholarship for Science and Engineering Korea Student Aid Foundation - Competitive national scholarship for first-year students	2013 - 2017

TEACHING

Graduate Teaching Associate The Ohio State University - (Autumn 2025) Math 2177: Mathematical Topics for Engineers - (Autumn 2024) Math 1156: Calculus for the Biological Sciences - (Autumn 2023) Math 1156: Calculus for the Biological Sciences - (Autumn 2022) Math 1172: Engineering Math A - (Spring 2022) Math 1172: Engineering Math A	Columbus, OH 2021-Present
Excellent Student Teaching Assistant Pohang University of Science and Technology - (Spring 2016) Math 110: Calculus	Pohang, South Korea 2016

OUTREACH

Cycle Program Mentor The Ohio State University - Mentored Sophia Cai and Prasanna Rajsheker in the study of reproducing kernel Hilbert spaces.	Columbus, OH Autumn 2026 – Spring 2027
